HOW TO FIND US

LOCAL DIRECTIONS FOR GRANGE FARM, GODINGTON, OX27 9AF

Take the turning off the A4421 Buckingham to Bicester road, signposted 'Godington and Poundon'.

Then take the second 'proper' left hand turning from this lane, which says 'Godington only'. Don't take any other turning until you see this sign.

Follow the lane up the hill, passing Godington Hall on your right.

Keep going and after a couple of minutes, you will see a row of houses on your right. Drive on past all of them. At the end of the row is Field Cottage, and then Grange Farm Bungalow.

Carry on down the lane, and after another couple of hundred yards, you'll see Grange Farm on your right.

Take the left hand farm road, turn first right in front of the stables, and park in the gravelled parking area in the space as reserved for your cottage.

I will be looking out for you, but if I don't see you please come and find me at the rear of the farmhouse.
